

March 16<sup>th</sup>, 2013 - OKC Meeting at Ingrid's Restaurant

Had a good turnout – Rocky Santiago, Don Etheridge, Norm Ward, Del Rentzel, Dana Marable, Nathan York, Chuck Anderson, and Frank and Billie Chambers from Stillwater!

We all had a good visit. Frank Chambers is enjoying his retirement. Still racing Formula Fords and told us about driving the new F1 track in Austin Tx. He has posted pictures at flickr: <http://www.flickr.com/photos/20308665@N06/sets/72157633096924075/> If anyone wants to go to the F1 race (the only one in America) in Nov. you need to find someone to stay with as Frank tells the hotels are already sold out.

### **Free Bugeye Car Cover given away.**

Del Rentzel ended up with the free Bugeye car cover (story later) He also gave us a tech session on all of his switches on his dashboard. Apparently they are all connected. He also has two compasses “one for where I’m going and one for where I’ve been”.

**Covercraft Car Cover Catalog** – Look for a Bugeye soon! I was contacted through the Norman Classic Car Club when they needed a range of vehicles for their catalog photo shoot. They picked my Bugeye and came to fit a test cover in my garage about 3 weeks ahead of time. This was the cover I gave away. I had to drive down to a members shop on a Saturday morning and they had the studio set up in the shop. I got to keep the cover they used for the photo shoot. The right picture is of the computer screen of them retouching the photo.

### **Member’s Healey Project updates:**

Norm Ward - has his 100 apart and is trying to decide on what color to paint it. Here it is at Chuck Anderson’s garage from a previous meeting.

Rocke Amonette – Built new garage building.

Chuck Anderson – Has his 3000 torn down to the frame.

My two favorite interests brought together in one spot!  
(Boy Scout Patch with an Austin Healey on it.)
